ACCIDENTAL FALLS

- Cost: $21.95 (USD)
- Registration deadline: December 31, 2017
- Valid for **2.0 accredited hours**

CARDIAC RESYNCHRONIZATION THERAPY

- Test: included with the article
- Cost: free for AACC members, $10.00 (USD) for non-members
- Registration deadline: October 1, 2018
- Valid for **1.0 accredited hours**

CASTS

- Cost: $7.50 (USD) for NAON members, $15.00 (USD) for non-members
- Registration deadline: December 31, 2017
- Valid for **1.5 accredited hours**

CERTIFICATION

- Test: online at Villanova University Website
- Cost: $20.00 (USD)
- Registration deadline: December 1, 2018
- Valid for **1.1 accredited hours**
CRITICALLY ILL PATIENTS

- Test: online at AACN Website
- Cost: free for AACN members (CE available to members only)
- Registration deadline: January 1, 2019
- Valid for 1.0 accredited hours

ETHICS COMMITTEES

- Cost: $27.95 (USD)
- Registration deadline: December 31, 2017
- Valid for 3.0 accredited hours

HIP FRACTURES

- Cost: $12.50 (USD) for NAON members, $25.00 (USD) for non-members
- Registration deadline: December 31, 2017
- Valid for 2.5 accredited hours

MEDICATION COMPLIANCE

- Cost: $12.50 (USD) for NAON members, $25.00 (USD) for non-members
- Registration deadline: December 31, 2017
- Valid for 2.5 accredited hours
NECROTIZING ENTEROCOLITIS

Necrotizing enterocolitis remains a significant cause of morbidity and mortality in very low-birth-weight infants (<1500 g), with current preventive strategies unclear. Scientific evidence has recently emerged, suggesting that probiotics, prebiotics, and synbiotics may effectively and safely alter the premature intestinal microbiota, enhancing a deficient innate immune response and maturing the intestinal barrier to prevent necrotizing enterocolitis development. Currently, formal recommendations do not support routine use of these dietary supplementations for premature infants. Here, we examine how probiotic, prebiotic, and synbiotic preparations physiologically alter the underdeveloped intestinal microbial environment to potentially reduce necrotizing enterocolitis incidence and discuss current evidence that has examined safety and efficacy factors potentially supporting routine use among the premature infant population.

- Test: [online at NursingCenter.com](#)
- Cost: $ 24.95 (USD)
- Registration deadline: August 31, 2017
- Valid for **2.5 accredited hours**

NURSE-PATIENT RELATIONS

- Cost: $ 24.95 (USD)
- Registration deadline: December 31, 2017
- Valid for **2.5 accredited hours**

OBSTETRIC NURSING

A better understanding of why women die during pregnancy, childbirth, or postpartum offers valuable insight into strategies aimed at preventing maternal deaths and arresting the progression in the severity of a complication. The rate of severe maternal morbidity and maternal mortality in the United States has been trending upward in recent years and has garnered national attention with concentration on bolstering reviews of maternal deaths and implementing patient safety initiatives. The obstetric nurse is in a unique position to improve maternal outcomes through the anticipation, recognition, and communication of the early warning signs of impending deterioration in maternal condition. Presented in the context of the conceptual model of Stephen Covey’s Circle of Influence, the professional nurse can proactively influence maternal outcomes directly, with actions defined by the
scope of professional nursing practice or indirectly through professional interactions with others. Advancing one's education, knowledge, and technical skills broadens the influential capacity.

- Test: online at NursingCenter.com
- Cost: $24.95 (USD)
- Registration deadline: August 31, 2017
- Valid for 2.5 accredited hours

**PATIENT EDUCATION**

- Cost: $7.50 (USD) for NAON members, $15.00 (USD) for non-members
- Registration deadline: December 31, 2017
- Valid for 1.5 accredited hours

**PHARMACOLOGY**

- Test: online at AACN Website
- Cost: free for AACN members (CE available to members only)
- Registration deadline: January 1, 2019
- Valid for 1.0 accredited hours

- Cost: $24.95 (USD)
- Registration deadline: December 31, 2017
- Valid for 2.5 accredited hours

**PSYCHIATRIC EMERGENCIES**

- Test: included with the article
- Cost: free for AACN members, $10.00 (USD) for non-members
- Registration deadline: October 1, 2018
- Valid for 1.0 accredited hours
PSYCHIATRIC NURSING

Read the following 3 articles and complete the “CNE QUIZ”:

- Test: online at Villanova University Website
- Cost: $ 20.00 (USD)
- Registration deadline: December 1, 2018
- Valid for 3.7 accredited hours

URINARY CATHETER CARE

- Test: online at SUNA Website
- Test instructions: included with the article
- Cost: $ 15.00 (USD)
- Registration deadline: December 31, 2017
- Valid for 1.4 accredited hours

VISITORS TO PATIENTS

- Test: online at AACN Website
- Cost: free for AACN members (CE available to members only)
- Registration deadline: January 1, 2019
- Valid for 1.0 accredited hours
