

UPTODATE MOBILE APP ACCESS

MUHC personnel may access UpToDate’s clinical content via the UpToDate mobile app (available for Apple iOS, Android and Windows 10).

To do so, you must first confirm that you are affiliated with the MUHC or McGill University by registering for an UpToDate account.

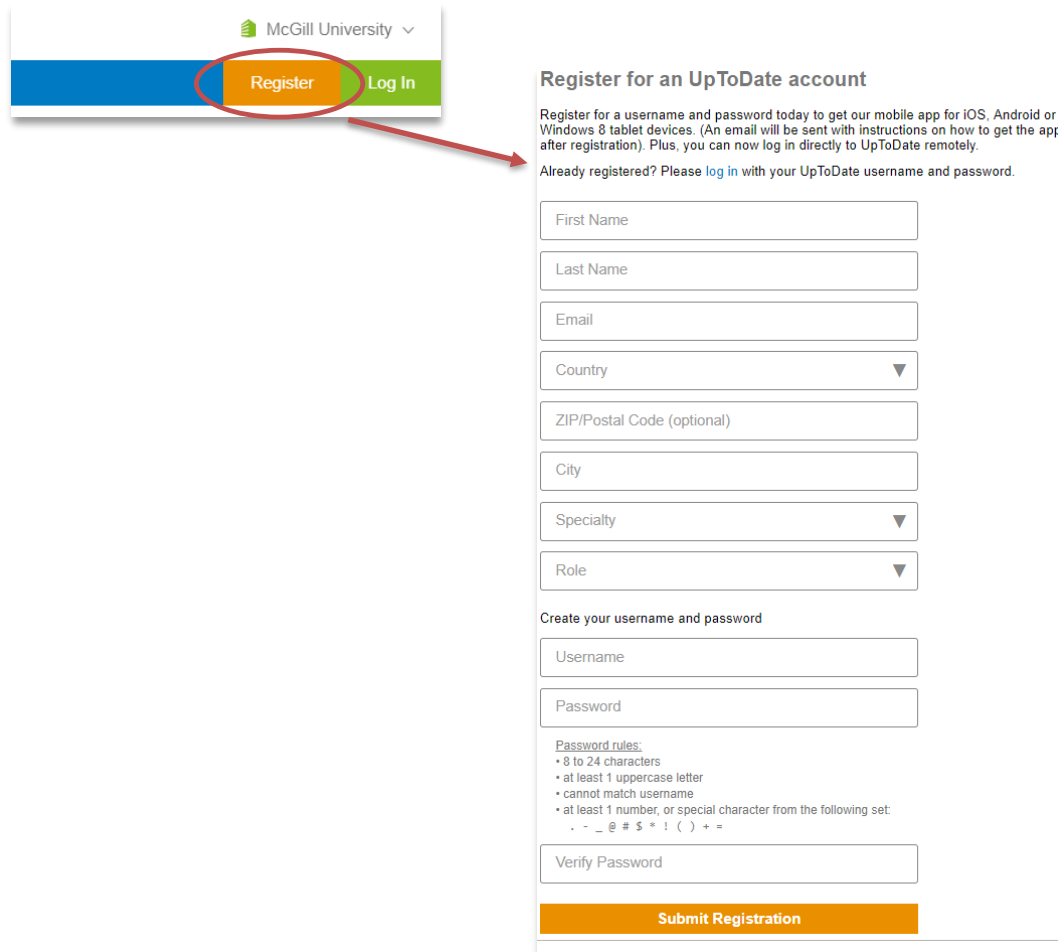

Registration must be done from a networked computer (non-McGill hospital based staff) or via EZProxy (McGill only).

REGISTRATION STEPS

1. Select UpToDate via the [MUHC Libraries website](#) from the **Quick Links** menu.
If you are non-McGill hospital based staff, please use the link in the MUHC column.
If you have a valid McGill university email address, please use the link in the McGill column.

Resources	
- Quick Links	
MUHC	McGill
Off-site Access	Off-Campus Access
E-journals	E-journals
UpToDate	UpToDate
Medline via Ovid	Medline via Ovid
PubMed	PubMed
Embase	Embase

Role

Create your username and password

Username

Password

Password rules:

- 8 to 24 characters
- at least 1 uppercase letter
- cannot match username
- at least 1 number, or special character from the following set:
· - _ @ # \$ * ! () + =

Verify Password

Submit Registration

3. Once registered, you should receive an email with your chosen UpToDate username and instructions on how to download the app. If you do not receive an e-mail, you may still download the UpToDate mobile app for your device and login with the registration information you have submitted.

Please note that you will need to re-confirm that you are affiliated with the MUHC or McGill by logging into your UpToDate account from a networked computer (non-McGill hospital based staff) or via EZProxy (McGill only) every 90 days.

For more information about UpToDate, contact your [hospital librarian](#).
